Hello Cassel/Whom It May Concern,

We are in the process of preparing our participant funding application to CIRNAC. Until that is confirmed, we will not be able to start arrangements to ensure the right representatives are in Inuvik for the engagement session planned for "April/May" according to the process map. For this session to be effective, we would strongly suggest that it take place in the latter part of May.

The earlier we have certainty on the date the more likely we are to have the experts Inuvialuit will need to participate meaningfully. Please let me know this date as soon as possible.

Thanks,

Kate
