

MUNICIPALITY OF CAMBRIDGE BAY

May 22, 2024

To whom it may concern:

RE: West Kitikmeot Resources Corp. - Grays Bay Road & Port Project Support Letter

I am writing in my capacity as Chief Administrative Officer of the Municipality of Cambridge Bay, located in Cambridge Bay, Nunavut. On April 19th, 2024, our Municipal Council convened a meeting with senior Municipal staff and representatives of West Kitikmeot Resources Corp. (WKR) regarding the proposed Grays Bay Road & Port Project (GBRP Project). The meeting addressed WKR's specific role as the developer and proponent of the GBRP Project.

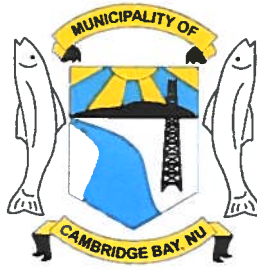

Based on these discussions, The Municipality recognizes the following:

- The GBRP Project could offer potentially significant social and economic benefits to Cambridge Bay residents and the Kitikmeot region.
- The GBRP Project has the potential to define economic development in the Kitikmeot region for decades to come by creating a transportation backbone that improves the quality of life in Kitikmeot communities and helps overcome barriers to regional economic growth.
- There is significant value in an Inuit-led company, with the Kitikmeot Inuit Association (KIA) as the largest shareholder, developing and owning this important multi-user infrastructure.

Furthermore, the Municipality of Cambridge Bay recognizes and appreciates the significant potential benefits the Grays Bay Road and Port Project could provide to the Kitikmeot region.

We affirm our support for WKR's baseline environmental and socio-economic data collection plans for 2024.

We also affirm our support for KIA's continued involvement in the project in partnership with WKR.

MUNICIPALITY OF CAMBRIDGE BAY

Finally, the Municipality of Cambridge Bay requests that the WKR continue to engage with the Municipality of Cambridge Bay to address important issues related to this project that concern our community.

Should you have any questions, or require additional information, please do not hesitate to contact me.

Best regards,

Jim

Jim MacEachern
