Kassidy Koaha-Laube  
Community Engagement Coordinator  
West Kitikmeot Resources Corp

Dear Kassidy,

On behalf of the Kitikmeot Chamber of Commerce, we are providing a letter of support for the West Kitikmeot Resources Corp Proposed Grays Bay Road and Port Project Proposal to move forward.

Local businesses and individuals can both benefit from the proposed project with project specific terms and conditions in place to mitigate potential impacts to the land and animals and will support the current Nunavut employment market.

Warm regards,
