Dear Ms. Ohokannoak, Mr. Kharatyan, Ms. McCaie, Ms. Osmond,, Mr. Gilchrist, Ms. Pelletier, Mr. Emerson:

RE: NPC File # 148557 [McConnell (Kuugaarjuk) Migratory Bird Sanctuary - Environmental Site Assessment]

Due to additional information provided by the proponent on May 3 and May 4, 2017, this conformity determination revokes and replaces the conformity determination issued May 2, 2017.

The following works and activities have been proposed in the above-noted project proposal:

- Contaminated Sites Assessment Program will conduct an Environmental Site Assessment of a 3.17 hectare parcel of land located within the McConnell (Kuugaarjuk) Migratory Bird Sanctuary (MBS) regarding the former wildlife research facility and surrounding area in August or September 2017. The MBS is managed by the Nivialik Area Co-Management Committee and ECCC. An environmental consulting firm will be conducting this assessment based on the following scope of work:

A complete description of the project proposal reviewed by the NPC can be accessed online using the link below.

The Nunavut Planning Commission (NPC) has completed its review of the above noted project proposal. It conforms to the Keewatin Regional Land Use Plan (KRLUP). The proponent has undertaken to comply with the applicable conformity requirements of Appendix C, G, and H of the KRLUP. The project proposal requires screening by the Nunavut Impact Review Board (NIRB) because it does not belong to a class of exempt works or activities set out in Schedule 12-1 of the Nunavut Agreement.

By way of this letter, the NPC is forwarding the project proposal with this determination to the NIRB for screening. Project materials, including the applicable conformity requirements, are available at the following address:
<http://npc.strata360.com/portal/project-dashboard.php?appid=148557&sessionid=>

The regulatory authorities to which this letter is addressed are responsible under the Nunavut Planning and Project Assessment Act (NUPPAA) to implement any of the applicable requirements by incorporating the requirements directly, or otherwise ensuring that they must be met, in the terms and conditions of any authorizations issued.

This conformity determination applies only to the above noted project proposal as submitted. Proponents may not carry out projects and regulatory authorities may not issue licenses, permits and other authorizations in respect of projects if a review by the NPC is required. Regulatory authorities may consult with the NPC to obtain recommendations on their duties to implement the existing land use plans prior to issuing licenses, permits and other authorizations under subsection 69(6) of the NUPPAA.

My office would be pleased to discuss how best to implement the applicable requirements and to review any draft authorizations that regulatory authorities wish to provide for that purpose. If you have any questions, please do not hesitate to contact me at (867) 857-2242.

Sincerely,
