Dear Parties:

Please see the attached correspondence from the Nunavut Impact Review Board (NIRB or Board) regarding White Cliff Minerals Ltd's (White Cliff) "Rae Copper Exploration Project" proposal.

NIRB File No.: 24EN047  
Project Name: Rae Copper Exploration Project  
Project Proponent: White Cliff Minerals Ltd  
Project Type: Exploration  
Location: Kitikmeot Region  
Comments Requested by: **October 30, 2024**

The NIRB is copying parties potentially affected by this project and we invite interested persons to comment directly to the NIRB regarding:

- Whether the project proposal is likely to arouse significant public concern; and if so, why;
- Whether the project proposal is likely to cause significant adverse eco-systemic or socio-economic effects; and if so, why;
- Whether the project proposal is likely to cause significant adverse impacts on wildlife habitat or Inuit harvest activities; if so, why;
- Whether the project proposal is of a type where the potential adverse effects are highly predictable and mitigable with known technology, (please provide any recommended mitigation measures); and
- Any matter of importance to the Party related to the project proposal.

You can submit comments to the NIRB by our online public registry at [www.nirb.ca](http://www.nirb.ca) or via e-mail at [info@nirb.ca](mailto:info@nirb.ca) or via fax to 867-983-2594.

All documents received and pertaining to this project proposal can be accessed from the NIRB's online public registry at [www.nirb.ca/project/125991](http://www.nirb.ca/project/125991).

The NIRB has attached a Public Notice of Screening in English (Inuinnaqtun and Inuktitut) for interested parties and Municipalities to post on local bulletin boards within your community.

If you have any questions or concerns, feel free to contact Tundra Kuliktana, Screening Officer directly at (867) 983-4612 or [tkuliktana@nirb.ca](mailto:tkuliktana@nirb.ca).
