The NIRB followed up on numerous occasions via email (August 27, 2024 and September 3, 2024) requesting an update on when the information would be provided. To date, the Board has not received the requested information or notification regarding when the information would be made available. Please note that if the Proponent fails to submit the requested additional information,

the Board may suspend the assessment activities of the proposed project pursuant to s. 144(2) of the *NuPPAA*. Therefore, it is in Community Support Division's best interest to cure the identified information deficiencies in a timely manner.
