Dear Francis Emingak,

On September 24, 2024, the Nunavut Impact Review Board (NIRB) invited parties to comment on Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) Nunavut Contaminated Sites Program's "Pelly Lake Remediation" project proposal. CIRNAC has no comments to offer at this time pertaining to the NIRB's request.

CIRNAC appreciates the opportunity to provide comments and looks forward to working with the NIRB and the Proponent throughout any further phases related to this project.
