Ok so KIA is asking for an extension to January 31<sup>st</sup> in order to submit comments on the project due to the Christmas new Years break, Wynter?

**Subject:** FW: NIRB 126002/24YN049: Notice of Screening and Comment Request for WKRC's "Field Research Program for the Grays Bay Road and Port Project" Proposal

Good Morning,

I am looking into getting an extension regarding the WKRC's "Field Research Program for the Grays Bay Road and Port" project proposal.

We are hoping to extend the date for the commenting period for January 29, 2025.

Please advise if this extension can be granted.

Thank you,  
Jennifer
