**Re: Notice of Release of Screening Decision Report for Tetra Tech Canada Inc. for “Chesterfield Inlet Sealift Improvements Project” Proposal, Kivalliq Region**

Dear Administrators:

Enclosed is the Nunavut Impact Review Board’s (NIRB or Board) Screening Decision Report to the Honourable Ministers Diane Lebouthillier, Minister of Fisheries and Oceans and the Canadian Coast Guard and the Honourable Anita Anand, Minister of Transport for Tetra Tech Canada Inc. for “Chesterfield Inlet Sealift Improvements Project” in the Kivalliq Region, dated February 21, 2025.

The NIRB has assessed this project proposal for ecosystemic and socio-economic impacts taking into consideration the comments from relevant authorities and communities. Based on this assessment, the Board has indicated to the responsible Ministers that **a review of the project is not required** in accordance with s. 92(1)(a) of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*). Accordingly, the NIRB awaits a response from the Ministers.

In the absence of a response from the Ministers, regulatory authorities should take note of s. 75(1)(e) of the *NuPPAA*, which provides: “A regulatory authority is not authorized to issue a licence, permit or other authorization in respect of a project if the responsible Minister has decided either that the project could be modified and an amended project submitted to the Commission or that it is not to proceed.” Contravention of s. 75(1) of the *NuPPAA* will render a licence, permit or other authorization issued of no force or effect.

Please contact the undersigned at (867) 983-4605 or [info@nirb.ca](mailto:info@nirb.ca) if you have any questions or require additional clarification.

Sincerely,

Cassel Kapolak  
Manager, Public Registry  
Nunavut Impact Review Board
