Note that if the existing Approval expires before the NWB issues a new Approval, the use of Waters and/or deposit of Waste must cease as required by the *Nunavut Agreement* and the *NWNSRTA*.

¹NPC and NIRB Requirements under NuPPAA.

If the Applicant contemplates changes to its undertaking involving a change in scope or increased activity, a water licence may be required. It is the Applicant's responsibility to apply to the NWB for a water licence in accordance with the timelines set out for licences.
