NIRB File #: 25YN035

Re: Notice of Screening for Prairie Scientific Inc.'s "Water quality and sediment collection near Chesterfield Inlet, Whale Cove, Ranking Inlet, Baker Lake, Arviat, Nauyasat and Coral Harbour" project proposal

The Government of Nunavut (GN) thanks the Nunavut Impact Review Board (NIRB) for the opportunity to provide comments on Prairie Scientific Inc.'s "Water quality and sediment collection near Chesterfield Inlet, Whale Cove, Rankin Inlet, Baker Lake, Arviat, Nauyasat, and Coral Harbour" project proposal, NIRB File #: 25YN035.

The GN appreciates participating in the screening of this project through the NIRB process. Should there be any need for follow-up, please feel free to contact me at jbuller@gov.nu.ca.
