Dear Cassel Kapolak, Mosha Cote, Jason Rule, Luis Manzo, Carson Gillis, Philip Ferguson:

RE: NPC File No. 150602 [Arctic Community Connectivity for Equity, Sustainability, and Service (ACCESS)]

The following works and activities have been proposed in the above-noted project proposal:

1. Scientific Research: The Arctic Community Connectivity for Equity, Sustainability, and Service (ACCESS) project will be a community-led endeavour that aims to understand the opportunities and challenges associated with high-bandwidth internet communications for northern communities and address them with a drone airship to act as a satellite communications hub for communities.
 - a. Launch and flight of prototype airship, in coordination with Transport Canada, under the control of community members, and in constant contact with air traffic management personnel
2. Timing, Duration, & Personnel:
 - a. 30 days over period 1 April 2025 to 1 March 2027
 - b. 4 personnel for a total of 120 person-days
3. Location: Kivalliq Region; [Chesterfield Inlet]

A complete description of the project proposal reviewed by the Nunavut Planning Commission (NPC) can be accessed online using the link below.

The NPC has completed its review of the above-noted project proposal and has determined that it conforms to the Keewatin Regional Land Use Plan (KRLUP). The proponent has undertaken to comply with the applicable conformity requirements of Appendices C, G, and H of the KRLUP.

The above-noted project proposal requires screening by the Nunavut Impact Review Board (NIRB) because it does not belong to a class of exempt works or activities set out in Schedule 12-1 of the *Nunavut Agreement*.

By way of this letter, the NPC is forwarding the project proposal with this determination to the NIRB for screening. Project materials, including the applicable conformity requirements, are available at the following address:
<https://lupit.nunavut.ca/portal/registry/registry.aspx?appid=150602>.

The regulatory authorities to which this letter is addressed are responsible under the *Nunavut Planning and Project Assessment Act (NuPPAA)* to implement any of the applicable requirements by incorporating the requirements directly, or otherwise ensuring that they must be met, in the terms and conditions of any authorizations issued.

This conformity determination applies only to the above-noted project proposal as submitted. Proponents may not carry out projects and regulatory authorities may not issue licenses, permits, and other authorizations in respect of projects if a review by the NPC is required. Regulatory authorities may consult with the NPC to obtain recommendations on their duties to implement the existing land use plans prior to issuing licenses, permits, and other authorizations under subsection 69(6) of the *NuPPAA*.

My office would be pleased to discuss how best to implement the applicable requirements and to review any draft authorizations that regulatory authorities wish to provide for that purpose.

If you have any questions, please do not hesitate to contact me at (867) 979-3444.

Sincerely,

Goump Djalogue, MCIP, RPP
Manager of Planning & Implementation
Nunavut Planning Commission
