

2024

Dear Ken Jeffries,

The Nattivak Hunters and Trappers Association would like to thank you for providing an update on the Coastal Environmental Baseline Program that you and your team are coordinating in Qikiqtarjuaq.

On behalf of the Nattivak Hunters and Trappers Association I am pleased to inform you that the Board has reviewed your project and the additional information provided to us, specifically regarding the following research project:

- Baseline levels and physiological impacts of persistent contaminants in the truncate softshell clam (*Mya truncata*) and characterization of intertidal invertebrate communities near Qikiqtarjuaq, Nunavut
