

Dear Ken Jeffries,

The Amaruq Hunters and Trappers Association would like to thank you for providing an update on the Coastal Environmental baseline Program that you and your team are coordinating in Iqaluit.

On behalf of the Amaruq Hunters and Trappers Association I am pleased to inform you that the Board has reviewed your project and the additional information provided to us, specifically regarding your research project:

- Persistent contaminants in softshell clam (*Mya truncata*) and other harvested species near Iqaluit, Nunavut.

Approve for 2025 ☒

Approve for 2025 – 2026 ☒

Does not approve ☐

We are looking forward to hearing updates as this work moves forward during 2025.

Sincerely,

Chair

Amaruq Hunters and Trappers Association
