Dear Julie,

Thank you for your message.

The NIRB appreciates Denmark's input and fully understands the need for adequate time to meet internal review processes. In response to your request, the Board will be issuing a notification to the full distribution list

confirming an extension of the comment submission deadline to October 20. This will ensure that all parties have sufficient time to review the documentation and provide comments.

Thank you again for reaching out, and please don't hesitate to contact us if you have any further questions.

Best regards,
Varun Nayak

Dear all

I would like to kindly inquire whether it would be possible for Denmark to submit its comments by October 20.? The reason for this request is that the Danish authorities, as a minimum, require a four-week deadline, as the documentation is published on our website simultaneously with being sent to the relevant authorities.

Best regards
