Subject: NIRB 126248/25EN080: Notice of Screening and Comment Request for 6106 Resources Ltd's "Hook Lake Project" Proposal

08-Jan-2026

Dear Parties:

Please see the attached correspondence from the Nunavut Impact Review Board (NIRB or Board) regarding 6106 Resources Ltd's "Hook Lake Project" proposal. Due to capacity issues, during January the NIRB will be providing translations upon request so please email info@nirb.ca as soon as possible if you require translated materials.

NIRB File No.: 25EN080
Project Name: Hook Lake Project
Proponent: 6106 Resources Ltd
Project Type: Exploration
Location: Kivalliq region
Comments Requested by: January 29, 2026

The NIRB is copying parties potentially affected by this project and we invite interested persons to comment directly to the NIRB regarding:

- Whether the project proposal is likely to arouse significant public concern; and if so, why;
- Whether the project proposal is likely to cause significant adverse eco-systemic or socio-economic effects; and if so, why;
- Whether the project proposal is likely to cause significant adverse impacts on wildlife habitat or Inuit harvest activities; if so, why;
- Whether the project proposal is of a type where the potential adverse effects are highly predictable and mitigable with known technology, (please provide any recommended mitigation measures); and
- Any matter of importance to the Party related to the project proposal.

You can submit comments to the NIRB by our online public registry at www.nirb.ca or via e-mail at info@nirb.ca or via fax to 867-983-2594.

All documents received and pertaining to this project proposal can be accessed from the NIRB's online public registry at www.nirb.ca/project/126248.

The NIRB has attached a Public Notice of Screening in English to follow Inuktitut for interested parties and Municipalities to post on local bulletin boards within your community.

If you have any questions or concerns, feel free to contact Viren Nasit, Senior Impact Assessment Officer directly at 867-983-4604 or vnasit@nirb.ca.
