Hello,

I am writing on behalf of the Beverly and Qamanirjuaq Caribou Management Board to request a one-week extension (until February 6th) to submit comments on NIRB files 25EN080 and 25EN084. We have less capacity than usual this month and would appreciate the additional time to complete and submit our comments.

Thank you for your consideration. Please let us know if you require any further information.
