Re: **Opportunity to address comments received regarding Tundra Copper Corp's "Coppermine River Drilling Program" project proposal**

Dear Scott Close:

The Nunavut Impact Review Board (NIRB or Board) received comments from the following parties on your project proposal that require additional information prior to the Board making its assessment decision. Please provide your clarifications by **March 2, 2026**, or earlier through your account and application on the Public Registry or info@nirb.ca.

<i>Commenting Party</i>	<i>NIRB Doc ID No.</i>
<i>Kitikmeot Inuit Association</i>	<i>359266</i>
<i>Government of Nunavut</i>	<i>359331</i>
<i>Crown-Indigenous Relations and Northern Affairs Canada</i>	<i>359370</i>
<i>Transport Canada</i>	<i>359240</i>

Additional Information requested:

- As multiple proponents are proposing to use the Hope Lake Airstrip and establish a temporary camp location in the area within your mineral claim, what are the current camp(s) locations?
- Can you describe the planned camp locations?
- Can you confirm how many camps and people would occupy the Hope Lake Airstrip area?
- Would resources such as water, food, fuel, and equipment be shared, or would each camp have their own designated and separate inventory?

If you have questions or require more time to respond, please send an update to Jordan Takkiruq at 867-983-4606 or jtakkiruq@nirb.ca.

Sincerely,

Jordan Takkiruaq
Impact Assessment Officer
Nunavut Impact Review Board
