To Fisheries and Oceans Canada,

On behalf of the Arviat Hunters and Trappers Organization, we support the Arctic Coast project to:

1) Conduct pilot winter fieldwork (Feb-Mar 2026) at sites near Arviat (selected by the AHTO) to monitor the coastal habitat. Including angling for fish, ice thickness samples, and data from the water.

2) DFO staff to travel to Arviat in late January or February 2026 to meet with the HTO and provide research updates.

Approve for 2026 __X__ Does not Approve _________
