Dear Calvin Ehaloak, Mosha Cote, and Jason Maas:

RE: NPC File # 151050 [Solar Resource Monitoring Station]

The following works and activities have been proposed in the above-noted project proposal:

1. **Primary Land Use: Scientific Research**
2. **Project description:** Polar Knowledge Canada, with Canmet Energy Ottawa/Natural Resources Canada, will install a solar resource monitoring station along Waterlake Rd in northern Cambridge Bay, NU. Located near Environment Canada's Radiosonde Station, it will collect meteorological and solar data for public and research use. The setup includes tripods, a SOLYS suntracker, and a Geonor precipitation gauge, all minimally invasive and grid-powered with Starlink connectivity. Installation is planned for July 2026, with indefinite operation and full site restoration upon project completion
3. **Location:** Kitikmeot [near the municipality of Cambridge Bay]

A complete description of the project proposal reviewed by the NPC can be accessed online using the link below.

The Nunavut Planning Commission (NPC) has determined that this project proposal is outside the area of an applicable regional land use plan. The project proposal requires screening by the Nunavut Impact Review Board (NIRB) because it does not belong to a class of exempt works or activities set out in Schedule 12-1 of the Nunavut Agreement.

By way of this letter, the NPC is forwarding the project proposal to the NIRB for screening. Project materials are available at the following address: <https://lupit.nunavut.ca/portal/registry/registry.aspx?appid=151050>

This decision applies only to the above-noted project proposal as submitted. Proponents may not carry out projects and regulatory authorities may not issue licenses, permits and other authorizations in respect of projects if a review by the NPC is required.

If you have any questions, please do not hesitate to contact me at (867) 447-4563.

Sincerely,

A handwritten signature in blue ink, consisting of the letters 'S' and 'A' connected by a horizontal line.

Jurisdictional Note:

This conformity determination applies only to the components of the proposed project located within the Nunavut Settlement Area and under the Nunavut Planning Commission's statutory jurisdiction as defined in the Nunavut Agreement and the Nunavut Planning and Project Assessment Act (NuPPAA). Activities outside the NPC's jurisdiction remain subject to the review and regulatory processes of the relevant authorities. Proponents are responsible for identifying, contacting, and obtaining all required approvals from the appropriate regulators in every applicable jurisdiction to ensure compliance with all legislation, policies, and licensing requirements.
