To Whom It May Concern,

Re: Letter of Support – Investigative Fisheries Study, Gjoa Haven

The Municipality of Gjoa Haven supports the Government of Nunavut, Department of Transportation and Infrastructure, and Dillon Consulting Limited in completing an Investigative Fisheries Study of the community's municipal drinking water source.

The study will help inform the long-term planning and sustainable management of the community's drinking water source.

The Municipality understands that all required permits and approvals will be obtained before the work proceeds.

Sincerely,

Jennifer Wakegijig, MBA
Chief Administrative Officer
Municipality of Gjoa Haven
