Simon Wiley

DFO Arctic Char Stock Assessment Group

Dear Mr. Wiley,

The Mittimatalik HTO Board Members have reviewed your request for support and have approved your application to conduct monitoring of Arctic char in the Mary River Project area, specifically at Kolooktoo Bay. This monitoring will also include Satu, Iqaluit Lake, and Tuniit Lake.

We look forward to working with you and to receiving a report on your project, as well as learning about the outcomes of this worthwhile initiative.

We wish you success in achieving your objectives and a safe and successful completion of your work.

Sincerely,

Chairperson
