**Re: Application Terms and Conditions for Landscape Processes at Cape Bounty-Melville Island, North Lake, Cornwallis Island – Scott Lamoureux**

Dear Jennifer Cockwell:

Following receipt of the renewal request dated March 24, 2006 for the above-mentioned project, the Nunavut Impact Review Board (NIRB) invited its Baffin distribution list to comment on the proposed renewal in its letter of April 18, 2006

Comments were due on April 26, 2006, and as of that date, Nunavut Tunngavik Incorporated (NTI), Environment Canada (EC), the Department of Fisheries and Oceans and the Government of Nunavut Department of Language, Elders and Youth (GN-CLEY) had provided responses in support of the renewal request.

Given that the renewal request does not change the scope of the original project proposal, the renewal can proceed without further analysis by NIRB - so long as NIRB's terms and conditions continue to be applied to the project.

If you have any questions or concerns, feel free to contact Karlette Tunaley, Technical Advisor (867-983-4605 or [ktunaley@nirb.nunavut.ca](mailto:ktunaley@nirb.nunavut.ca)).

Sincerely,
