Please be advised that I have invoked Section 25(1)(c) of the Territorial Land Use Regulations to allow further time for the Nunavut Impact Review Board to conduct their environmental screening on your application pursuant to Article 12.4.5.(b) of the Nunavut Land Claim Agreement.

Further environmental studies and investigations are required to assess the impact of your proposed land use operation.

If you have any questions on the process of your application, please contact the Nunavut Impact Review Board in Cambridge Bay at (867) 983-4600.

Sincerely,
