Re: Your comments on a NRI permit application

NIRB File #: 04YN076

Project Title: The PolarDARN radar for Rankin Inlet

Proponent: Dr. George Sofko

The Nunavut Impact Review Board received a NRI application for research on the above-mentioned project. Please use the NIRB file no. **04YN076**, and the contact person listed below, in all future correspondence regarding this application.

The application documents are available through the internet on the NIRB ftp site at www://ftp.nunavut.ca/nirb in the folder "**04YN076**".

Please assess the project proposal for the potential effects on the ecosystemic and socio-economic environments, from your knowledge of the area or your field of expertise and forward your comments and recommendations to NIRB by **Wednesday, June 23, 2004**.

A comment form has been included with the package.

If you have any questions regarding the application, please do not hesitate to contact our office. Your input is greatly appreciated.

Yours truly,

Gladys Joudrey
