The applicant has undertaken to comply with the enclosed questionnaire requirements. The authorizing agency to which this letter is addressed is responsible under the *Nunavut Land Claims Agreement* to implement the enclosed requirements by incorporating them directly, or otherwise ensuring that they must be met, in the terms and conditions of any authorization issued. My office would be pleased to discuss how best to implement these requirements and to review any draft authorization that any agency wishes to provide for that purpose.

Yours Truly,

OPW
