**Re: Application Pending NPC Conformity Determination for Quark Expeditions' "Quark Canadian Arctic 2014" Project Proposal**

Dear Alex McNeil:

The Nunavut Impact Review Board (NIRB or Board) received Quark Expeditions' "Quark Canadian Arctic 2014" project proposal from Canadian Wildlife Service on April 3, 2014. The project proposal submission included the following documents:

- *NIRB Part 1 Summary Application Form in English*
- *Project Description in English*

Your project appears to be located in an area which requires conformity to the North Baffin Regional Land Use Plan, pursuant to Article 11 of the Nunavut Land Claims Agreement (NLCA). Please be advised that Proponents are required to submit their project proposals directly to the Nunavut Planning Commission (NPC) for a conformity determination. For further information, please contact NPC's Director Regional Planning, Brian Aglukark, at (867) 857-2242 or via email at [aglukark@nunavut.ca](mailto:aglukark@nunavut.ca).

Once a positive conformity determination is made, the NPC will forward its determination and any associated recommendations to the NIRB for screening, if required.

The NIRB conducts screening (environmental impact assessment) of project proposals upon referral from Government departments/agencies and Regional Inuit Associations responsible for authorizing the proposed project works or activities. Please be advised that it is the Proponent's responsibility to apply for all authorizations and approvals required to carry out the proposed project works or activities.

If you have any questions or concerns, feel free to contact an environmental administrator at the NIRB at [info@nirb.ca](mailto:info@nirb.ca).

Sincerely,

Stephanie Taptuna
