Dear Ms. Briscoe:

**Re: Annual Report Required Under Land Use Permit #N2005C0023**

There were no works undertaken as permitted under Land Use Permit N2005C0023 in 2005 as our Water Licence was not received until after the field season.

A few day trips were made to the property to begin centralizing garbage, waste and debris that had been left by previous land users see photos.

Please do not hesitate to contact me at (604) 687-6680, email [rmcelroy@triexminerals.com](mailto:rmcelroy@triexminerals.com), if you have any comments or questions, or require more information.

Sincerely,

Ross McElroy, P. Geol.  
Exploration Manager

Photos of some of the material that was collected and centralized for later clean up.
