Re: Notice of Indication for Mark Mallory's Contaminants in Eggs of Seabirds Project Proposal

Dear Ms. Han:

Enclosed is the Nunavut Impact Review Board (NIRB) Screening Decision Report to the Minister for above-mentioned project on Prince Leopold Island.

NIRB has assessed this Project Proposal for ecosystemic and socio-economic impacts taking into consideration the comments from relevant authorities and communities. Based on this assessment NIRB's indication to the Minister is in accordance with **12.4.4 (a)** which states the following:

“The proposal may be processed without a review under Part 5 or 6; NIRB may recommend specific terms and conditions to be attached to any approval, reflecting the primary objectives set out in Section 12.2.5.”

The enclosed NIRB Screening Decision for NIRB File Number 06YN015, signed on May 15, 2006 by Elizabeth Copland has been issued subject to the terms and conditions contained herein.

NIRB requests that a hard copy of CWS's authorization for the Project be sent to the NIRB office with NIRB's file number referenced on the document to complete our files. In addition, NIRB requests that copies of any subsequent inspection reports related to the subject Project Proposal also be sent to the NIRB office.

Please contact Gladys Joudrey, NIRB's Manager of Environmental Administration at (867) 983-4611 or gjoudrey@nirb.nunavut.ca if you have any questions or concerns.

Sincerely,

(original signed by:)

Gladys Joudrey
Manager Environmental Administration
