Dear Bruce Goad:

**Re: Land Use Permit # N2007C0036**  
**Type of Operation: Diamond Drilling on Crown Land**  
**Location: East Arm Contwoyto Lake, Kitikmeot, Nunavut, NTS 076E/15**

Please refer to our letter dated September 15, 2009, in which you were requested to submit a final plan which was due on November 15, 2009, for the captioned land use permit.

The final plan is a requirement under Section 33 of the Territorial Land Use Regulations and is required in order that a final inspection can be carried out and your fee calculations verified.

Should you require any additional time please refer to Section 33(3) of the Territorial Land Use Regulations.

An early reply would be appreciated.

Yours truly,

Brian O'Mara  
Assistant Land Administrator  
Land Administration
