<p>Hapag-Lloyd has been a Nunavut Tourism member in good standing since 2007. They are a dedicated team that's cruise ship visits contribute to the economy of the Nunavut communities that they visit. They have sown their desire to co-operate with Nunavut based associations that play a role in their operation by attending the 2007 Nunavut Tourism AGM. At this time their representative, Daniela Herget set out to meet representatives from appropriate associations based in Iqaluit.</p> <p>To this date Nunavut Tourism has received no complaints from either community members or community based tourism operators regarding Hapag-Lloyds cruise ship practices.</p>
