Dear Tara Arko:

Re: Notice of Part 4 Screening for Terry Prowse's "Climate Change Effects on the Hydro-Ecology of Northern Lakes" project proposal

Transport Canada appreciates the opportunity to participate in the Part 4 Screening process for Terry Prowse's "Climate Change Effects on the Hydro-Ecology of Northern Lakes" project proposal as indicated by NIRB in the February 11, 2011 distribution letter. Transport Canada is responsible for transportation policies and programs that promote a safe transportation system, ensuring that they work effectively and in an integrated manner.

Our review consisted of the following documents:

- *NRI Application in English*
- *Maps*
- *Non technical Project Proposal summary in English and Inuktitut*
- *NPC Conformity Determination and Questionnaire*

Transport Canada has conducted a cursory review of the project proposal in accordance with our departmental mandate pursuant to the *Navigable Waters Protection Act*. Based upon this initial review Transport Canada has no concerns regarding this project.

Transport Canada appreciates the opportunity to participate in this review and provide comments to the NIRB for your consideration. Should you have any questions pertaining to these comments, please contact me via email at christopher.aguirre@tc.gc.ca or by telephone at (204) 956-1478

Regards,

Christopher Aguirre
