Re: Opportunity to address comments received regarding WPC Resources Inc.'s "Hood River" project proposal

Dear Bruce Goad:

On July 17, 2014 the Nunavut Impact Review Board (NIRB or Board) received WPC Resources Incorporated's (WPC) "Hood River" project proposal from the Kitikmeot Inuit Association. NIRB has assigned this project proposal file number 14EN033.

On August 7, 2014 the NIRB invited interested parties, and municipalities most affected by WPC's project, to provide comments directly to the NIRB by August 26, 2014.

On or before August 26, 2014 the NIRB received comments from the following interested parties:
   ▪ *Kitikmeot Inuit Association*
   ▪ *Government of Nunavut*
   ▪ *Environment Canada*
   ▪ *Fisheries and Oceans Canada*
   ▪ *Lutsel K'e Dene First Nations*

All comments and documents received pertaining to this project proposal can be obtained from NIRB's online public registry at http://ftp.nirb.ca/01-SCREENINGS/ACTIVE%20SCREENINGS/14EN033-Inukshuk%20Exploration-Hood%20River/02-DISTRIBUTION/COMMENTS/.

A summary of the main concerns raised relate to the following:
   ▪ Location of the proposal within caribou calving grounds and post calving areas.

Due to these concerns, the NIRB would like to provide WPC with an opportunity to address all comments received prior to the Board making its decision to the Minister. The NIRB respectfully requests that WPC provide a response directly to the NIRB by **September 12, 2014.**

Please provide your forthcoming submission to the NIRB via email at info@nirb.ca or via fax at **(867) 983-2594**.

If you have any questions or require clarification, feel free to contact the undersigned at (867) 983-4611 or tarko@nirb.ca.

Sincerely,

Tara Arko
