**Re: Notice of Part 4 Screening for Environment Canada's "Airborne Observations in Support of NETCARE" project proposal**

Ms. Arko,

On June 12, 2014 the Nunavut Impact Review Board (NIRB) invited parties to comment on the Environment Canada's "Airborne Observations in Support of NETCARE" project proposal. Aboriginal Affairs and Northern Development Canada (AANDC) has reviewed the project proposal, and has no comments or additional terms and conditions to offer at this time pertaining to the NIRB's request.

AANDC appreciates the opportunity to provide comments and looks forward to working with the NIRB and the Proponent throughout the regulatory process related to this project. Should you have any questions, please contact Rowan Novinger at (867) 975-4567 or by e-mail at [rowan.novinger@aandc-aadnc.gc.ca](mailto:rowan.novinger@aandc-aadnc.gc.ca).

Sincerely

[Original Signed by]
