Re: Application Acknowledgement and Additional Information Required for City of Iqaluit's "Northwest Iqaluit Aggregate Area and Access Road" Project Proposal

Dear Mélodie Simard:

On December 15, 2014 the Nunavut Impact Review Board (NIRB or Board) received City of Iqaluit's (Proponent) "Northwest Iqaluit Aggregate Area and Access Road" project proposal from the Government of Nunavut - Community and Government Services' (GN-CGS). The NIRB has assigned this project proposal file number **14QN039**. All documents received and pertaining to this project proposal include:

- *Referral from the GN-CGS*
- *City of Iqaluit letter to the GN-CGS requesting permission to use Commissioner's lands*
- *Maps*

The NIRB has undertaken a preliminary completeness check and finds that your proposal does **not** contain sufficient information for the NIRB to permit proper screening. Specifically, the NIRB is requesting submissions of the following information by 29 January, 2015:

- *NIRB Part 1 Summary Application Form in English and Inuktitut*
- *NIRB Part 2 Project Specific Information Requirement form in English*
- *Updated map clearly showing proximity of the proposed project site to Iqaluit and including all proposed activities*
- *Non-technical Project Proposal summary in English and Inuktitut*
- *Any applicable Environmental and Remediation Plans*

Please forward all forthcoming submissions to the NIRB at info@nirb.ca or via fax at **(867) 983-2594**.

If you have any questions or require additional clarification, feel free to contact me at (867) 983-4603 or samuno@nirb.ca

Sincerely,

A handwritten signature in blue ink, appearing to read 'S.A.', is centered within a light gray rectangular box.
