Resumption of operations at Hackett River & Wishbone Camp (Hackett River Project)

NWB License 2BE-HAK0915

AANDC License N2013C0017

KIA License KTL310C005

Dear Amanda,

This letter will serve to advise you that Glencore Canada Corporation (Glencore) will be resuming operations for the season on or about April 2, 2015 for Hackett camp (the "Hackett River project").

A maximum of 15 people will be on site. The camp will remain open for 3-4 weeks. Activities planned for the season will include maintenance and on-going camp improvements to support future programs that will build on our commitment to providing safe working conditions and minimizing impacts to the local environment.

As per the terms of various licenses, best management practices will be applied.

These permits are listed in the table below and posted in the camp office; copies available upon request:

Permit No.	Permit Name	Expiry	Description
N2013C0017	Exploration activities on Crown Land	2015-11-29	Exploration activities on Crown Land at Hackett Project
KTL313C005	Hackett and Wishbone	2016-11-01	Staking and prospecting, exploration, drilling, fuel storage, camp on Inuit Owned Lands
76F-16-1-7 (Amended 2014)	Hackett River Camp	2017-03-31	exploration camp
2BE-HAK0915	Hackett River Camp	2015-12-31	Water use and waste disposal

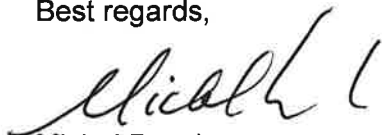

We currently anticipate closing Hackett camp in late April, and will advise you of the date as we complete our program for 2015. An additional 3 visits are scheduled during the summer and fall to inspect and monitor the site. These visits will include Glencore personnel and contractors.

GLENCORE

We will advise you of the dates once we see how the thaw progresses. We are looking forward to a safe, successful season in our endeavours in the Kitikmeot Region again this year, and we look forward to continuing to work with all of you.

Should you have any questions or concerns, please do not hesitate to contact me at Michel.Boucher@@glencore-ca.com, (+1 (514) 745-9375). We will advise of the new onsite phone numbers, once camp is open.

Best regards,

Michel Boucher
General Manager, Projects and Exploration
Glencore Canada
