Date:	March 3/2015
Exhibit No:	1

The *Baker Lake Hunter and Trappers Organization* will make a motion to the Nunavut Impact Review Board ("the Board") on March 2, 2015, at 9:30 am, or soon after that time as the motion can be heard.

THE MOTION IS FOR an order by the Board to amend the agenda for the final hearing of the review of AREVA Resources Canada Inc.'s ("the Proponent") *Kiggavik Project (NIRB File No. 09MN003)*, to provide the Baker Lake Hunters and Trappers Organization an additional 30 minutes to present during both technical meetings and the community round table.

THE GROUNDS FOR THE MOTION ARE:

The Baker Lake Hunters and Trappers Organization did not have sufficient time to consider the Proponent's responses to our final submissions, prior to the Board's request for comment on the final hearing agenda. After considering the Proponent's responses, the Baker Lake Hunters and Trappers Organization has determined that 30 minutes may not be sufficient time to present our concerns to the Board. The Baker Lake Hunters and Trappers Organization requires a full hour to present our concerns.
