<input checked="" type="checkbox"/> fish and their habitat	<u>not taken care of, it is</u>
<input type="checkbox"/> heritage resources in area	<u>damaging the land.</u>

**Please describe the concerns indicated above:**  
 There is a camp site by Shear Minerals that they abandoned and not taking responsibility for their mess, insulations going all over the land and lake, and it is hurting the environment.

**Do you have any suggestions or recommendations for this application?**  
 They did not consult with Chesterfield Inlet to inform them along with KIA. They seem to be working behind closed doors.

**Do you support the project proposal? Yes ☐ No ☒ Any additional comments?**  
 No the environmental impact needs to be dealt with before further mines can explore.
