Re: Screening Decision for North Arrow Minerals Inc.'s "Luxx Exploration" Project Proposal, Kivalliq Region

Dear Ms. Bennett:

On December 1, 2015 the Nunavut Impact Review Board (NIRB or Board) received a referral to screen North Arrow Minerals Inc.'s (North Arrow) "Luxx Exploration" project proposal from the Nunavut Planning Commission (NPC or Commission) with an accompanying positive conformity determination with the Keewatin Regional Land Use Plan. Pursuant to section 86 of the *Nunavut Planning and Project Assessment Act* (NuPPAA), the NIRB commenced screening this project proposal and assigned it file number 15EN052.

Following the assessment of all material information provided, the NIRB is recommending that a review of North Arrow's "Luxx Exploration" project is not required pursuant to paragraph 92(1)(a) of the NuPPAA.

Pursuant to its discretion under paragraph 92(2)(a) of the NuPPAA, the NIRB has determined that specific terms and conditions are appropriate for this project.

Accordingly, the NIRB is issuing the attached Screening Decision Report dated February 8, 2016 to the responsible Minister. The Screening Decision Report provides, among other things, the regulatory framework, project overview and the NIRB assessment process, factors relevant for the determining significance of impacts and recommended project-specific terms and conditions.

Please note that the project proposal will not be enclosed due to the size of the electronic document and the limited bandwidth. However, an electronic copy of the project proposal is accessible online from the NIRB's public registry using the following link:
