Dear Ms. Copland:

This is in response to your letter of January 15, 2016, addressed to the Honourable Carolyn Bennett, regarding the screening decision of the Nunavut Impact Review Board on the Agnico Eagle Mines Ltd.'s land use application for its "Amaruq, Meadowbank and White Hills" Project Proposal, Kivalliq Region, Nunavut (NIRB 15EN050, NPC 148143).

Under Article 12.4.4 of the Nunavut Land Claims Agreement, the Nunavut Impact Review Board is required to advise the Minister of Aboriginal Affairs and Northern Development of its screening decision on project proposals. As indicated in your letter, the Nunavut Impact Review Board has determined that this project proposal may be processed without a review under Part 5 or 6 of the Nunavut Land Claims Agreement. The Nunavut Impact Review Board has also recommended terms and conditions that may be attached to regulatory approvals for the project. I would like to thank the Nunavut Impact Review Board for its diligence in reviewing this proposal.

In order to expedite the issuance of regulatory authorizations, it is important that the appropriate regulatory authorities are advised of the Nunavut Impact Review Board screening decisions. For this reason, I appreciate your efforts to copy the Land Administration Unit of the Department's Nunavut regional office on this and other screening decisions.
