Hi Johann,

Thank you for the coordinates, I have confirmed that the location is off IOL and therefore you do not need a license from our office.

Regards,

Tannis

Hi Tannis,

The coordinates are in decimal degrees. So the camp will be at 69.215077° N, 104.849419° W (or 69° 12.905'N 104° 50.965'W, or 69°12'54.28"N 104°50'57.76"W).

Thank you

Johann

Hi Johann,

Can you please confirm the coordinates so I can verify the location is off of IOL, your longitude appears to have a typo with 84 minutes.

Thanks in advance,

Hi Wynter,

Polar Knowledge Canada is planning for this summer for a research field camp on the northern shore of Greiner Lake, at 69.215077° N, 104.849419° W (please also see attached map).

The camp site seems to be outside an IOL.

Would a KIA application still be needed?

Thank you

Johann
