RE: Acknowledgement of the 2016 Annual Report for Inukshuk Exploration Incorporated's "Hood River" Project

Dear Bruce Goad:

Please be advised that the Nunavut Impact Review Board (NIRB or Board) received Inukshuk Exploration Inc.'s 2016 annual report for the "Hood River" project on November 7, 2016 as required pursuant to the Screening Decision Report, dated October 9, 2014.

Term and Condition 1 states:

1. *The Proponent shall submit an annual report to the NIRB by March 31st of each year of permitted activities commencing in 2015 which includes, but is not limited to:*
 - a. *A detailed summary of activities undertaken for the year, including any progressive reclamation work undertaken, and to include site photos where relevant;*
 - b. *A work plan for the following year;*
 - c. *An updated map which details the location of sensitive wildlife areas within the project areas (to include footprint and all claim blocks) such as denning sites, ungulate calving and post-calving areas, caribou crossing sites, and raptor nests within the project area, as well as an indication of the timing for use of these areas during critical life history events;*
 - d. *A log and record of wildlife observations which must include but is not limited to:*

- i. *Location (i.e. latitude and longitude)*
 - ii. *Species*
 - iii. *Number of animals present*
 - iv. *Description of animal activity*
 - v. *Description of gender and age where possible*
- e. *Results from the Wildlife Mitigation and Monitoring Program, including a description of potential impacts from the project, as well as an analysis of the effectiveness of mitigation measures for wildlife.*
- f. *The results of any environmental studies undertaken by or in coordination with the project, or any plans for future studies;*
- g. *A summary of any community consultations undertaken and the results;*
- h. *A summary of site-visits by inspectors with results and follow-up actions; and*
- i. *A summary of how the company has complied with NIRB conditions contained within the Screening Decision Report.*

Upon review of your submission we have concluded that Inukshuk Exploration Incorporated's 2016 annual report for the "Hood River" project contains the information as required above and that there are no deficiencies to note.

If you have any questions or require further clarification, please contact the undersigned at (867) 983-4609 or at johokannoak@nirb.ca.
