The Hamlet of Chesterfield Inlet, wishes to congratulate Dunnedin Ventures Inc. for coming into the community and working together with us. We appreciate the time that they have taken to engage us and hear our concerns and incorporate our suggestions into their plans and programs. Chris Taylor has spoken to us about his commitment to work with the KIA also on their proposal to have the abandoned Shear Minerals Exploration camp cleaned up. Also Chris has committed to help with matching funds toward the relocation of a bridge. This is appreciated by the Hamlet.

The Hamlet of Chesterfield Inlet, support Dunnedin Ventures Inc. and look forward to a long and successful relationship."

Sincerely

Barney Aggark
