With KIA Lands

Present:

Peter Kattegatsiak Sr	KIA Rep
Abraham Kadluk	Youth Rep
Harry Aggark	Hamlet Rep
Pauline Kadjuk	Elder Rep
Valerie Ipkarnerk	CLO/Secretary
Craig Beardsall	Environmental Technician KIA

1. Opening of Meeting

Meeting opened at 6:36PM

Peter briefly explained about the Public Meeting with Dunnedin Ventures on April 2016 about Dunnedin apologizing to the community about poor communication. He also mentioned about the last CLARC Meeting in January 2016.

Craig mentioned that Dunnedin applied for Class 3 and gave a brief explanation of the application.

After a long discussion the CLARC Committee agreed to their application; and made a motion as follows:

Moved by: Harry Aggark
Seconded by: Pauline Kadjuk

That the Dunnedin Ventures application be approved with the terms that the Camp site around Josephine Lake (Shear Minerals camp) be cleaned along with the hiring of the local people to clean up site

Carried

2. Committee Topics

- Harry asked what they would be doing about the stuff at the camp.

Craig thought that they would be brought to Rankin Inlet; he also mentioned that last year KIA went to go check out the camp and will possibly do that this summer.

- Valerie suggested for CLARC Committee and CLO's have a workshop regarding CLARC roles and responsibilities for all the Kivalliq Communities

CLARC committee agreed and Peter KIA Rep will bring it to the next KIA meeting in July.

- Harry asked Craig about the trail to the camp site that Dunnedin mentioned in their application; he asked how they will their trail be done and what season.

Craig mentioned that the trail should be only during winter season, from Rankin Inlet

- Peter suggested for Luis Manzo to update CLARC more of this application

3. Adjournment

Moved by: Pauline Kadjuk
Seconded by: Abraham Kadluk

That the meeting be adjourned at 7:13PM
