Subject: Re: NIRB 125048 / 15EN049: Notice of Screening and Comment Request for Agnico Eagle's "Parker Lake Temporary Exploration Camp and Airstrips & Cone Hill Exploration" Project Proposal

Hello Kofi,

Would it be possible to obtain a week extension to the 27th of this month for project 15EN049? The time required to screen the project is longer than originally anticipated. Thank you.

Norman
