Dear Mr. Kharatyan, Ms. McCaie, Mr. Clark, Ms. Ohokannoak, Mr. Pickard:

RE: NPC File # 148494 Application for Renewal of NWB Water Licence 2BE-MLL1217

The following works and activities have been proposed in the above-noted project proposal:

1. Mine Development, Mineral Exploration, Trenching
 - a. Renewal and extension of the Nunavut Water Board water licence 2BE-MLL1217 for the Wishbone-Malley Project in the Kitikmeot Region for a further five (5) years. The renewal does not represent a change in scope for the project.

A complete description of the project proposal reviewed by the NPC can be accessed online using the link below.

The Nunavut Planning Commission (NPC) has determined that this project proposal is outside the area of an applicable regional land use plan, and the works and activities listed above were previously screened by the Nunavut Impact Review Board (NIRB FILE NO.: 08EA084). This project proposal is exempt from the *Nunavut Planning and Project Assessment Act* (NUPPAA) under section 235 of that Act. The above-noted project proposal is exempt from screening by the NIRB under section 12.4.3 of the Nunavut Land Claims Agreement as amended because it is for a component or activity that was part of the original proposal and its inclusion is not a significant modification of the project.
