Subject: TO TALIA - Information

Dear Talia,

I was alerted by Adrian Schimnowski that you require information regarding float plane travel. (This is in connection with the "Kitikmeot Region Marine Science Study" project proposal submitted by Bill Williams.) I also left a Voice Mail to your number.

Details: We will use Open Waters Charters, Yellowknife; round-trip Yellowknife to Bathurst Inlet; August 21, 2017; three passengers; transportation only. One flight.

Please let me know if additional information is required. And thank you for your assistance,
Eddy
