Dear Ms. Gillard,

RE: NIRB FILE NO.: 17XN030 - OPPORTUNITY TO ADDRESS COMMENTS RECEIVED REGARDING THE GOVERNMENT OF NUNAVUT'S "POND INLET MARINE INFRASTRUCTURE" PROJECT PROPOSAL

Thank you for your letter dated August 16, 2017 extending the Government of Nunavut (GN) an opportunity to address the summary of public concerns received regarding the GN's Pond Inlet Marine Infrastructure Project proposal.

The GN appreciates the time and effort spent by all interested parties to review the submission and to provide comments. As requested, we have enclosed detailed responses to the comments noted in your letter. We are following up directly with Indigenous and Northern Affairs Canada (INAC) and other regulators to ensure that all other comments submitted to NIRB are also answered.

We trust our responses provide the information required prior to the Board rendering its determination for this screening assessment and issuing its subsequent Screening Decision Report to the responsible Ministers. We look forward to your decision and remain available for any questions or clarifications.

If you require any further clarification, please do not hesitate to contact me directly by phone at 1-778-945-5518 or by email at margaret.e.scott@advisian.com.

Yours sincerely,
