Project Name: The “Kahuna Property” project
Proponent Name: Dunnedin Ventures Inc.
Project Type: Exploration
Public Registry: www.nirb.ca
Comment Deadline: **December 20, 2017**

Region: Kivalliq Region
Application No.: 125186

PROJECT SCOPE:

The proposed “Kahuna Property” project is located within the Kivalliq region, approximately 40 kilometres (km) northeast of Rankin Inlet and 50 km southwest of Chesterfield Inlet. The Proponent intends to establish temporary field facilities to support an ongoing mineral exploration program for kimberlite occurrences at the Kahuna Property site. The program is proposed to take place from February to October 2018. The scope of this proposed project as identified by the NIRB includes the following undertakings, works or activities:

- Transportation of hazardous, combustible and non-combustible wastes to approved facilities offsite for disposal
- Establishment of a temporary 20-person field camp and associated facilities at the Kahuna Property site
- Establishment of a temporary fuel cache or storage facility with secondary containment at the Kahuna Property site
- Demobilization of field camp and fuel storage facilities, and reclamation and restoration of the site on completion of the exploration program
