Dear Chris Taylor,

As you are aware, on November 29, 2017 the Nunavut Impact Review Board (NIRB) distributed Dunnedin Ventures Inc.'s (the Proponent) "Kahuna Property Field Camp" project proposal to interested parties for comments.

Please note that the NIRB has received comments from the Kangiqliniq Hunters and Trappers Organization in Rankin Inlet (see attached) which we need the Proponent to address before the end of the commenting period for the file on December 20, 2017.

Specifically, we require the Proponent to provide planned dates for its proposed consultation with the Kangiqliniq Hunters and Trappers Organization, the Chesterfield Hunters and Trappers Organization and the communities of Rankin Inlet and Chesterfield Inlet regarding the project proposal.

Please provide your response to me and info@nirb.ca, and also copy my colleague Kelli Gillard, kgillard@nirb.ca as she will be handling your file while I am on annual leave during the Christmas season.

Cheers,
Kofi
